New Business

- **Tailgate** – Our tailgate is being planned for September 8th, which is the Saturday after Labor Day weekend at Upper Rio Vista Park - Dave will reserve 10am – 2pm – Our club meeting should be at that time and place.
- **HAM Testing** – Next test is on July the 28th at Christ The King Church in Durango 1pm – 4pm. Scott will put contact info onto the website – Mike Hawkins mike.hawkins@laplata.co.us
 - Years ago the club had voted not to use Laurel VEC. But Laurel is supposed to be faster, less expensive, and accredited so it was agreed that it may be a good choice.
 - We will need to coordinate with Durango for future tests and might not need to test as often in Farmington
